My recent stay at an Airbnb property was nothing short of fantastic! From the moment I stepped foot into the charming cottage nestled amidst picturesque surroundings, I knew I was in for a treat. The host went above and beyond to ensure a seamless check-in process, providing clear instructions and promptly responding to any inquiries. The attention to detail in the decor and amenities truly made me feel at home, from plush bedding to a well-equipped kitchen perfect for whipping up meals. What truly set this Airbnb apart was the personalized touch. The host left thoughtful recommendations for local attractions and dining spots, helping me make the most of my stay. Every moment felt like a cherished memory in the making. I highly recommend this gem to anyone seeking a rejuvenating retreat in a home away from home. – P. (April 2024)

Very peaceful, quiet, easy and relaxing place. – N. (January 2024)

The house is located in a tranquil locality on a vast, stunning piece of land. It is spacious and equipped with all the facilities we desired, making our stay thoroughly enjoyable. Stephanie was easily approachable, and communication with her was prompt. She provided us with detailed instructions and helpful tips before our arrival. – A. (January 2024)

Everything is good. If smart tv is provided will be perfect. – L. (December 2023)

Our staying at the farmhouse was absolutely wonderful. Beautiful and peaceful area, the house was huge and accommodate a big family. No TV was bonus, children were too busy running around and loved watching animals around the house. Loved the big kitchen. Steph was very helpful and responsible when we wanted to contact her. She left few extra toys for our little ones, they played with blocks all the time. The location was perfect for us to travel up North and Launceston area. Nice local cafe and great berry farm close by. Very reasonable price. Highly recommended and will definitely come back again. – N. (December 2023)
